

Hydrocarbon Sector Skill Council Activity Report (From 1 Feb to 15 Feb 2022)

Hydrocarbon Sector Skill Council

Assessment Report (From 1 Feb to 15 Feb 2022)

Introduction

Hydrocarbon Sector Skill Council (HSSC) has been setup on April 26, 2016 under the aegis of Ministry of Petroleum and Natural Gas (MoPNG), as per the guidelines of National Skill Development Corporation (NSDC), with the main objective for skill development and training need of the manpower in Oil & Gas sector.

Sector Overview:

The Oil and Natural Gas sector is amongst the 8 core industries driving economic growth in India and plays a crucial role in country's economic growth. The industry is broadly divided into different segments which refers to different points in the process of exploring and extracting, collecting and processing and ultimately distributing the oil and natural gas for use.

Hydrocarbon Sector Skill Council
