

Hydrocarbon Sector Skill Council Activity Report (From 16 Feb to 28 Feb 2022)

Hydrocarbon Sector Skill Council

Assessment Report (From 16 Feb to 28 Feb 2022)

Introduction

Hydrocarbon Sector Skill Council (HSSC) has been setup on April 26, 2016 under the aegis of Ministry of Petroleum and Natural Gas (MoPNG), as per the guidelines of National Skill Development Corporation (NSDC), with the main objective for skill development and training need of the manpower in Oil & Gas sector.

Sector Overview:

The Oil and Natural Gas sector is amongst the 8 core industries driving economic growth in India and plays a crucial role in country's economic growth. The industry is broadly divided into different segments which refers to different points in the process of exploring and extracting, collecting and processing and ultimately distributing the oil and natural gas for use.

Hydrocarbon Sector Skill Council

Assessment Report (From 16 Feb to 28 Feb 2022)

Job Roles and State Wise

S.No	Job Roles	State	No of Assessed Candidates
1	Industrial Electrician (Oil & Gas)	Odisha	30
2	Industrial Welder (Oil & Gas)	Odisha	52
3	Pipe Fitter – City Gas Distribution	Gujarat	20
4	Pipe Fitter-City Gas Distribution	Uttar Pradesh	20

Assessment Summary

Schemes	TP Name	Batch ID	Assessed Candidates	Monitored By
Feebased STT	Industrial Electrician (Oil & Gas)	Odisha	30	Assessment Team
Feebased STT	Industrial Welder (Oil & Gas)	Odisha	52	Assessment Team
Feebased STT	Pipe Fitter – City Gas Distribution	Gujarat	20	Assessment Team
UPSDM Feebased STT	Pipe Fitter-City Gas Distribution	Uttar Pradesh	20	Assessment Team

Hydrocarbon Sector Skill Council Activity Report (From 16 Feb to 28 Feb 2022)

A new QP has been developed by HSSC along with of GAIL (India) Ltd, with the primary purposed of skill training on this qualification at refineries/petrochemicals units. The QP has been validated by GAIL (India) Ltd.
