HSSC HAVE INVITED NOMINATION FOR TRAINING OF TRAINERS (TOT) AND TRAINING OF ASSESSORS (TOA)

To meet the skill initiatives by training the youth of the country to accomplish the vision of Hon. Prime Minister of India of "Making India Skill Capital of the World". We need to have a pool of sector-oriented Trainers and Assessors to further train and assess the potential candidates. Henceforth, we have invited nominations from our training providers and assessment agencies to nominate eligible profiles for the said program. Probably We are planning to conduct the same in May 2022.

HSSC INVITING APPLICATION FROM TRAINING PARTNER'S FOR IMPLEMENTATION OF STATE SKILL MISSION'S - SKILLING PROJECT'S

Maharashtra State Skill Development Society (MSSDS) has issued a work order for imparting skill training in Maharashtra. HSSC has floated a training partner information form on its website of HSSC (www.hsscindia.in). Inviting Training Partners for showing their interest to impart skill training in various State/Districts. Currently, 40 Training Partners have shown their interest in imparting skill-based training in the Hydrocarbon sector.

In addition to Maharashtra, an association of Hydrocarbon with other State Skill Mission's are also underway for the training and skilling targets. Hence all the interested training partners / Companies / NGOs are hereby invited to become the training partner with Hydrocarbon. The link for application as a training partner with the Hydrocarbon Sector skill council is live at our website.

Pipe Fiter (O&G) Training Centre at Udaipur, Rajasthan by Secure Gas Meter (Training Partner)
